

Extend the lifespan of machinery with our refurbishment service

Do you have machines that need an upgrade? Instead of investing in new equipment, extend the lifespan of your existing machines by manufacturers such as Wolfking®, CFS®, GEA® and Simo® with our professional refurbishment service. We specialize in restoring and optimizing old machines, ensuring they run like new – efficiently, reliably, and cost-effectively.

Send us your machine or the parts in need of refurbishment – we'll make sure they return in top condition!
